Meet Toma Clark Haines, Chief Executive Diva

American expat Toma Clark Haines launched The Antiques Diva® & Co in 2008:

Toma Clark Haines is an entrepreneur, writer, international speaker, global tastemaker, lifestyle consultant and the founder and CEO of The Antiques Diva® & Co, Europe and Asia’s largest antiques touring, sourcing and shipping company. She is recognized for her antiques sourcing expertise by design experts including Newell Turner, former editor of House Beautiful and current Editorial Director of Hearst Design Group, Michael Boodro, Editor in Chief of Elle Décor and Dominique Corlett, deputy editor of the English publication Homes & Antiques magazines (the official magazine of The Antiques Roadshow). Clark Haines has been endorsed by Adam Jabko, CEO of Esteem Media and Atlanta Homes and Lifestyles, Editor in Chief Elizabeth Ralls.

An authority on how to buy antiques in Europe and Asia and ship them to the buyer’s home country, Clark Haines is an in-demand speaker at international conferences, trade shows and events for interior and architectural designers, design bloggers, and antique resellers.
