Laos Tours

1. Luang Prabang Tour Monday - Friday // 2-Day Tour

Rendezvous in Bangkok with your Diva Guide who will ride with you on the short flight to Luang Prabang. Arrive in the late morning to be whisked away by our private driver to visit several by-appointment-only galleries and antique shops specializing in antique bronze, silver and textiles. End the afternoon with a visit to a weaving collective and learn about the various patterns and techniques used in weaving Laos textiles. Rest and relax at your hotel and take in dinner before heading out the Luang Prabang's famous night market where your guide will expertly point out what is hot and what is not. Retire for a good's night rest so that you are fresh for the early morning monks' alms round and a walk through Luang Prabang's fresh market to take in the local culture before carrying on to visit more antique shops that include a visit to a village just outside of town. As always, our Laos antiques tours Guide translates and negotiates on your behalf, maximizing your time on tour. We also liaise you with a shipper to get your purchases home.
