## 2. Newport Antiquing Tour April - October // 2-Day Tour

Newport denotes wealth, mansions and sailing. What most people don't realize is that Newport lives in its history dating back to the 1600's. Narrow streets are filled with historical buildings, unique shops, and extraordinary dining opportunities. The inns and hotels are the ultimate in charm. We will pick you up at your hotel and start the day with a drive through Newport to give you the lay of the land. Then on to some of the best antique shopping with private access to some of their warehouses as well. We have relationships with these shop owners who will give you their best pricing and each shop offers their own door to door shipping services.

### 3. Brimfield Antiques Tours May, July, September

Brimfield Antiques Fair boasts over 6000 antique dealers and has over 130,000 visitors in one week which makes it one of the largest antiques market in the country. It opens just three weeks a year in May, July and September. For any designer, collector or antique lover, this is a must-go-to event. We will pick you up at your hotel early in the morning. You can bring your own car in anticipation of bringing your purchases home with you, and you can follow us to the fields. Be ready for a rustic shopping experience. Wear comfortable clothes and shoes and bring your wallets.
